

# PRODUCT DETAILS

## TOILET CUBICLE – PEDESTAL MOUNTED FREE STANDING (PF)

Designed by TPI, the Pedestal Mounted, Free Standing cubicle combines an uncluttered above-head line with easy-to-clean accessibility at the floor. Engineered to stand strong, the open spaces of this cubicle allow it to sit well in tight rooms.

Recommended for offices and restaurants, light, airy and easy to clean.

PF cubicles are mounted on stainless steel pedestals raising them off the floor, clear of the wash area. PF cubicles can be constructed from a range of 32mm board: economical laminates or for prestige applications taken upmarket with a timber veneer or an acrylic door.

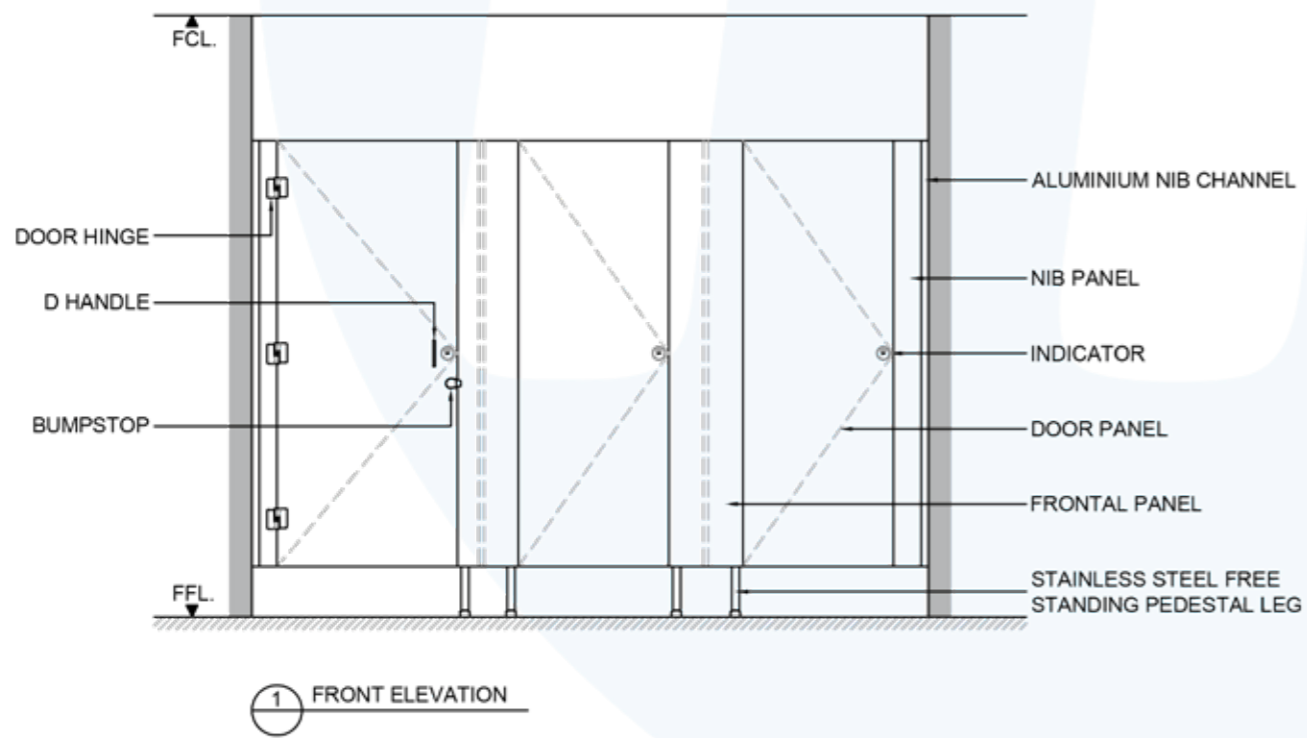

Available as Supply & Install only.

### How to Specify TPI's Recommended Configuration

*TPI PF32L Pedestal Mounted Free Standing in 32mm Laminated Board. Freestanding Pedestal Leg. Door Furniture to be Metlam Xcel series. Aluminium to be Clear Anodised Square. Screw Fixing.*
