

PRODUCT DETAILS

TOILET CUBICLE – BLADE MOUNTED FREE STANDING (BF)

TPI's BF cubicle draws a simple top line by eliminating the overhead door brace. This extra top space makes the BF an excellent choice for low ceiling rooms. A recommended option for offices and restaurants needing a clean, upmarket tone.

With its stainless steel blade mounts, no panel touches the floor, allowing construction from classic structural board. This opens up a wide range of colours and textures and allows matching with other joinery finishes. For prestige projects, the BF is well suited to genuine timber veneer.

Available as Supply & Install only.

How to Specify TPI's Recommended Configuration

TPI BF33L Blade Mounted Free Standing in 33mm Decorated HMR P/Board. Door Furniture to be Metlam® Xcel series. Aluminium to be Square Clear Anodised. Screw fixing
