

THE WET AREA PEOPLE

At TPI, we offer Australia's most extensive range of designs and highest quality materials for wet areas in hospitality facilities.

We never settle for standard – in service, quality of product or solution. We are proud of our unrivalled customer service record and long history of delivering on our promises.

We have been a trusted partner to many hotels, clubs and pubs for more than 22 years. TPI is the only toilet partition company that can deliver full design, manufacturing and installation across the east coast of Australia.

As wet area experts, we're a one-stop shop committed to 'install confidence'. Our team proudly offers seamless and streamlined design details to your application, manufacturing and installation requirements.

TPI Patented Modulux® Total Privacy edge.

At TPI we have developed unique detailing and features specific for use in hospitality facilities, along with customisable designs to suit any establishment or desired look. These products enable safety, security, emergency access, and reduced maintenance,
