

## **CUBICLES & JOINERY OFFER**

Offering a one-stop-shop for our clients

**RE: Registration of interest for Joinery and Cubical subcontracting**

Comace are now providing both Commercial Joinery and fully installed Toilet and Shower Cubicles to the South Australian commercial construction sector.

The real benefit to you is providing the highest value for money and the lowest risk through delivery.

We offer:

- Commercial joinery services on medium to larger jobs where the joinery values are between \$100,000 and up to \$1.5 million
- A variety of supplied and fully installed proprietary toilet and shower cubicle systems that can be either conforming or non-conforming, based on your value engineering expectations.
- Beautifully detailed bespoke solid timber joinery or furniture where values are above \$3,000.
- Reactive Maintenance Services for all commercial buildings and properties where values are above \$2,000 or as needed. This is a service you can pass onto your clients after the defects period on projects that you have completed.

We look forward to discussing your next project.

Yours sincerely

# It's who we are...

*Comace manufactures and installs commercial joinery, and as of May 2020, we supply and install toilet and shower cubicles to commercial, retail and institutional buildings. Based in Adelaide,*

*we are both consultative and collaborative while providing solutions that are high value for money and low risk through delivery.*

Since our business began in 1981, we have been involved in literally thousands of fitout, renovation, joinery and maintenance projects. We are proudly SA-owned and always aim to source all labour and materials locally.

# It's what we do...

*Our clients value the expertise of our people, the quality of our workmanship and our speed of response. We know you want us to act quickly, understand your design briefs and slot straight into the work you need doing. Comace has you covered.*

- ✓ We are accountable, have an eye for detail and pride ourselves on going out of our way to deliver the best solutions. **Quality is at the heart of what we do.**
- ✓ As a boutique provider, we have a **highly personal approach** to all our work.
- ✓ You will deal with the same person every time. We **value close relationships with our clients**, and we are known for attentive and professional service.
- ✓ As a 'one-stop-shop' we can help you **from concept to project delivery** and then help maintain your clients building for many years to come. Our team are diverse, skilled and experienced. This combination allows for us to provide a range of solutions for all stages of your project.

# Our new service...

*Fully supplied and installed cubicles, as a separate contract or bundled with our joinery services for better cost management.*

*This includes a full wet area package if required*
