

PRODUCT DETAILS

TOILET CUBICLE – RECESSED PEDESTAL CEILING FIXED (RC)

An original TPI design, the RC has recessed, hidden, single-pedestal-mounts anchoring it to the floor. This allows the RC to 'float'. Overhead the cubicle connects to the ceiling. With both top and bottom fixings the RC cubicle is solid making its light, floating design suitable for high traffic areas, even with a heavier XL door. Airy in appearance yet robust and suitable for any setting. A cleaners dream.

The RC cubicle is manufactured in all materials (except stone) and sits on a 150mm pedestal mount.

Available as Supply & Install only.

How to Specify TPI's Displayed Configuration

TPI RC13CL Recessed pedestal Ceiling fixed in 13mm Compact Laminate. Pedestal to be 150mm Aluminium leg. Door Furniture to be Metlam Xcel series. Aluminium to be Square Clear Anodised. Screw fixing.
