## PRIVACY SCREEN – FLOOR MOUNTED CHILDCARE ANIMAL DIVIDERS

Floor Mounted Childcare Animal Dividers provide safe and private spaces in early learning, childcare, and infant school washrooms, while still allowing staff easy access. Each panel features a recognisable animal cut-out that children can spot and enjoy, making the space inviting and encouraging independent use.

Made from 13mm compact laminate, they are durable, resistant to impact, scratches, water, humidity and bacteria, combining practical performance with engaging design.

Standard Stocked Offer – Animal Designs and Colours
