PRIVACY SCREEN – FLOOR MOUNTED CHILDCARE DIVIDERS

Floor Mounted Childcare Dividers are designed to create safe and private spaces in early learning, childcare, and infant school environments, while allowing staff easy access when required.

Available in two designs:

- **Animal Dividers** – Four fun and bold animal cut out designs featuring a Koala, Lion, Monkey and Tiger
- **Classic** – A plain finish with rounded corners that provides a clean look.

Available in any Laminex Natural finish compact laminate colour or wood grains.

Secret-fixed to the floor with a clean overhead line incorporating flush T joins allows the Floor Mounted Urinal to create a single structural element in a room.

Our Childcare Dividers are water and impact resistant and will meet all the demands that a modern children's washroom is subject to.

Also available in a Pedestal Mounted design.
